DAPHNE MULTIWAY MT

COOLANT-PROOF SLIDE WAY OIL

1. Application

Slide way oil, especially suitable for cutting machine with water soluble coolant.

2. Quality

A high quality mineral oil refined from paraffinic base by the most advanced hydro treating process and add various additives such as oiliness agent, adherent agent, antioxidant, anti-stain agent.

3. Characteristic

1. Excellent slide way performance.
Enables smooth start up and prevent stick-slip motion.
2. Less influence by water soluble cutting oil.
 - Select oiliness agent hard to generate hydrolysis and to be washed off.
 - Not contain the component that could be a nourishment for bacteria so that less possible to deteriorate that water soluble cutting oil when contaminated.
 - Eliminate the metallic component which would cause emulsion break.
 - Contain demulsifier that improves separation from water soluble cutting oil.

4. Viscosity grade
